September 25, 2015

Last month my office began accepting applications for *Class 2* of the House District 67 Student Leadership Advisory Council. As a friendly reminder, **applications are due this Tuesday, September 29th and final selections will be announced on October 7th**.

Launched in 2014, the Student Leadership Advisory Council was crafted to provide a unique opportunity for high school students within House District 67 to engage in the legislative process and to obtain a hands-on education of the role and inner-workings of Texas state government. My hope is that this program will continue to educate, encourage and inspire our next generation of Texas leaders by providing them with a venue to learn the intrinsic value of public service, all while providing a more thorough understanding of the nuts and bolts of the Texas Legislature.

To be eligible for the 2015-2016 school year, students must be enrolled in grades 9-12 in public, private or homeschool and must reside in District 67. Students will be selected by the Student Leadership Advisory Council Selections Committee, which is comprised of various community leaders within House District 67.

Students selected to participate in the Student Leadership Advisory Council will be required to attend three meetings throughout the 2015-2016 school year. Meetings will be led by my office and will cover various topics including the significance of community involvement, the role and functions of state government and the overall legislative process.
