Dear Friends,

Each year, Members of the Texas House are invited to create a Christmas ornament that showcases their district. These ornaments decorate the Christmas tree that stands in the House Chamber of the Texas Capitol during the holiday season.

This year's District 137 ornament is created by students and teachers at Sharpstown High School. They drew their inspiration from *The Starry Night* by Vincent Van Gogh. They even included a nod in support of a local project—if you look closely, you can make out the "Seeds of Sharpstown" logo.

The ornament is filled with little purple origami stars which represent the hopes and dreams that guide us through life, toward a bright and prosperous future. From my family to yours, I hope that the holidays find you with that same optimism.

Sincerely,
