

*State Representative*  
**Jeff Leach**  
*Dist. 67*  
**Rotunda Report**

**April 1, 2014**

Dear Friends,

This week my office announced the launching of the Student Leadership Advisory Council, a unique opportunity for high school students within House District 67 to engage in the legislative process and obtain a hands-on education of the role and inner-workings of Texas state government. Through this program, my staff and I hope to provide students with a special opportunity to understand the importance and intrinsic value of civic engagement and public service, while learning the nuts and bolts of the Texas Legislature and the legislative process.

Students selected to participate in the Student Leadership Advisory Council will be required to attend four meetings throughout the 2014-2015 school year, meeting twice each semester. Meetings will include special guest speakers from various elected officials and cover topics including the significance of community involvement, the role and functions of state government and the overall legislative process.

Students will be selected by the Student Leadership Advisory Council Committee, which is comprised of various community leaders within House District 67. To be eligible, students must reside in [District 67](#) and be enrolled in grades 9 - 12. My office is now accepting applications for the 2014-2015 school year - please [click here](#) to access the application.

**Applications are due May 5, 2014 and final selections will be announced on May 26, 2014.**

All my Best,

Jeff Leach
