Rotunda Report

November 30, 2015

Dear Friends,

As we enter the Christmas season, I am reminded that Jesus came not to be served, but to serve. I am hopeful that each of us will be intentional and deliberate during this holiday season about serving others, especially those less fortunate.

To that end, I am excited to announce that, starting today, my office will begin hosting a Toy Drive in support of CASA of Collin County's annual Holiday Toy Drive, which provides Christmas gifts for over 350 deserving children in foster care ranging from age 0-18 years old.

As you may know, CASA stands for Court Appointed Special Advocate and is designed to serve children who are victims of neglect and abuse that have been removed from their homes and placed in foster care. A CASA is an unpaid volunteer who is extensively trained to advocate for the child's best interest and provide a consistent, strong, and clear voice for these children as they navigate through a complicated legal system. In many cases, a CASA serves as the only stable and trusted adult in the child's life during their time in foster care. In 2014, CASA of Collin County served 515 foster children who were removed from their homes due to abuse and neglect.

I invite and encourage you to support the great work of CASA of Collin County by dropping off a new, unwrapped Christmas gift to my District Office in Plano, located at 777 E. 15th Street, Suite 202, Plano, TX 75074, no later than Wednesday, December 16th. All gifts will be delivered to the children by CASA volunteers just in time for Christmas.

As always, please contact my office if we may be of service by calling (972) 424-1419 or District67.Leach@house.state.tx.us.

Merry Christmas,

Jeff Leach
